10 weeks (Summer term will be less)

Target Group

all

Skills and qualifications needed:

No previous knowledge or skills needed

Any further steps

Teaching & learning methods used:

This is a completely practical class. Teaching is delivered through demonstrations and 1:1 help from tutor.

Course Details

The aim of the course is for learners to produce a range of pottery work. To learn the processes needed to work with clay, to understand firings and glazing and to create individually designed work.

Beginners will be introduced to basic pottery construction and decoration techniques.

More experienced potters will be able to complete individually tailored projects that fulfil their own requirements

How progress and success will be recorded:

Through ILPs and with Photographs of completed work

Materials required for first week:

Additional Costs:

None, although a notebook may be useful.

Course Information Sheet

We are fully committed to equality of opportunity and we welcome enrolments from everyone. We believe that everyone is entitled to learn in an environment that is free from discriminatory behaviour so that we build a community based on mutual trust and respect.

We positively encourage all learners with any concerns about specific needs which might affect their learning to discuss their requirement with us in confidence.

Arrangements have been made to make sure that you are safe in this centre. If you feel you are not safe for any reason, please tell your tutor or centre manager, who will investigate to ensure your safety.
