Teaching & learning methods used:

Course Details

Learners should already have attained a reasonable command of French, and have covered the basic grammar, tenses etc – but this may have been a while ago, and you may now seek either to refresh your skills or have more practice. The course aims to help you keep up your French skills already acquired and also to add to them by widening your vocabulary and reinforcing grammatical understanding.

How progress and success will be recorded:

Materials required for first week:

Additional Costs:

Course Information Sheet

We are fully committed to equality of opportunity and we welcome enrolments from everyone. We believe that everyone is entitled to learn in an environment that is free from discriminatory behaviour so that we build a community based on mutual trust and respect.

We positively encourage all learners with any concerns about specific needs which might affect their learning to discuss their requirement with us in confidence.

Arrangements have been made to make sure that you are safe in this centre. If you feel you are not safe for any reason, please tell your tutor or centre manager, who will investigate to ensure your safety.
