Beginners

Skills and qualifications needed:

none

Any further steps

Apple run a range of courses for intermediate and advanced topics, which could follow this introduction

Teaching & learning methods used:

Demonstrations, chat, advice, Q&A and step-by-step guides

Course Details

Have you got an iPad? Unsure of how to use it or what the best apps are? This course will go over the basics of setting it up, connecting and using email, downloading and using the best apps, and everything in between!

What will the learner be able to do upon successful completion of the course?

Have a better understanding of how to use your iPad, be more confident online, and have a better idea of what it can do.

How progress and success will be recorded:

Standard documentation recording progress.

Materials required for first week:

note pad and pen would be useful

Additional Costs:

Bring your own iPad 2, 3, Air, Pro or Mini (this course is not available to Android/Hudl/Kindle Fire etc. users, and we will be using iOS 9 and 10).

Course Information Sheet

We are fully committed to equality of opportunity and we welcome enrolments from everyone. We believe that everyone is entitled to learn in an environment that is free from discriminatory behaviour so that we build a community based on mutual trust and respect.

We positively encourage all learners with any concerns about specific needs which might affect their learning to discuss their requirement with us in confidence.

Arrangements have been made to make sure that you are safe in this centre. If you feel you are not safe for any reason, please tell your tutor or centre manager, who will investigate to ensure your safety.
